

# Climate Change Information:

## Privacy Notice

In order to provide the Climate Change Information for you, we collect and hold some personal information about you.

This will include:

- Name, address, and email address
- Your pledge choice information
- Your suggestions and ideas to help us find ways to reduce direct and indirect emissions from Powys County Council.

### **We need to use this information so that we can:**

- provide you with the latest Climate Change Information, to help you make a difference.
- count the number of Climate Change Pledges as a tool when lobbying for funds or action on Climate Change.
- use your suggestions and ideas to help the council to reduce its carbon emissions to net zero, in line with the Welsh public sector target of 2030.

### **How we use this information**

Your information will only be used for the purpose that it was collected i.e. to supply you with newsletters and/or to collect suggestions for emission reductions.

We will only add your contact details to our mailing list if we have had your explicit consent.

We will only contact you to discuss your ideas or suggestions further if we have your explicit consent.

### **Who can see this information?**

The data that we hold about you is saved onto a secure computer network, accessible by the Climate Team and Information Management staff only.

No hard copies of forms or the Climate Change register will be kept.

### **Accuracy of data**

It is important that the information we hold about you is accurate. If any of your details change, please contact us as soon as possible so that we can update your records.

Your data will be retained to be used for the purposes outlined above until 2050, after which time it will be destroyed.

If you want your data to be removed at any time, please contact the Climate Team [climate@powys.gov.uk](mailto:climate@powys.gov.uk).
